The historic concert hall, where performers including Ella Fitzgerald and Nat King Cole graced stages, shut its doors thirty years ago. It has undergone a $29 million renovation.

The project echoes the original design and adds state-of-the-art acoustics and video systems, a deeper stage and offices.

Restarting a rebound in Southeast

The area around Washington’s baseball stadium has been transformed from seedy nightclubs and light industry to apartments, offices and shops. Progress was severely slowed by the recession that hit as the new stadium opened, but this year has brought a resurgence of development.
